Interpretation

This manual should be read as a document that is supplemental and subject to the Bylaws. To the extent of any conflict between the terms and provisions of this manual and the Bylaws, the Bylaws shall be paramount and shall prevail in all instances.

Whereas the Bylaws set out the parameters within which the Board must operate, this manual is intended to provide more specific commentary, guidance and best practices that the Board is expected to follow outside of extraordinary or changed circumstances. For example, the Bylaws provide for a maximum of 12 Directors but this manual recommends a maximum of nine Directors.

Definitions

All capitalized terms used but not defined in this manual shall have the respective meanings given to them in the Bylaws. The following terms have been used throughout this manual:

Appointed Representative: an individual with specific expertise who is appointed by the Board to serve on a Board Committee;

BC Rugby Staff: the CEO and staff employed to provide services to BC Rugby;

Committee: means any Board Committee or Operational Committee, and "Committees" means more than one of them;

Purpose: means the BC Rugby purpose as stated in section 1.1;

Rugby Development Organization: a regionally-focused organization that is rugby communications and/or rugby services oriented;

Stakeholder: includes (but is not limited to) different levels of government, sports associations, organizations and agencies, and individuals that are not Members but currently or potentially have an interest in rugby. Descriptions of key Stakeholders are included in Appendix 4.1; and

Term: as it applies to an elected Director's time on the Board, means a period commencing on the date of the Annual General Meeting at which the Director is elected and ending on the date of third Annual General Meeting occurring after the Director's election.

The purpose of the British Columbia Rugby Union (BC Rugby) is to grow, develop and manage the sport of Rugby Union, in all its game variants (15s, 12s, 10s, 7s, flag and touch), in the Province of British Columbia. It is the over-arching responsibility of the BC Rugby Board of Directors to ensure that the purpose is responsibly achieved for the current and potential members and stakeholders of BC Rugby.

Governance is defining expectations, delegating authority, verifying performance, and adhering to legal requirements, to ensure organizational success and accountability. It is the expectation that the Board will maintain high standards of ethical behaviour in acting as guardians of the reputation and integrity of the organization and the sport. Ethical behaviour is underpinned by the following governance principles:

- commitment to purpose and guided by strategic plan;
- clarity of roles and responsibilities;
- effective financial control;
- sound human resources management; and
- transparency and accountability for outcomes and results.

In addition, BC Rugby has identified the following as principles central to our organization:

- commitment to ongoing risk and opportunity assessment; and
- diversity of skills and perspectives on the Board.

This manual provides the framework for the Board to serve the Members and Stakeholders.

Aim of This Manual

The aim of this manual is to:

- clarify the organizational purpose, key metrics, structure, policies, and procedures of BC Rugby;
- provide clear guidance regarding the respective roles and responsibilities of the Board, Committees, the CEO, and BC Rugby Staff;
- outline the key stakeholder relationships required to make the Purpose achievable;
- orient new Board members to their new role;
- reference all documentation which collectively forms BC Rugby's governance structure; and
- define the Board's contribution to the advancement of Rugby in BC.

Hierarchy of Governance Instruments

There is a hierarchy of governance instruments by which BC Rugby must abide. Federal and provincial legislation, the Bylaws and Regulations of World Rugby and Rugby Canada, and BC

Rugby’s Constitution and Bylaws have precedence over Board policies and directives (including those set out in this manual).

| LEVEL OF HIERARCHY | ENTITY RESPONSIBLE | DETAILS |
|--------------------|----------------------------|--|
| 1.1 | Federal and BC Legislation | There are several Acts and subordinate regulations by which BC Rugby must comply; the main and primary Act is BC’s Societies Act. |
| 1.2 | World Rugby Regulations | World Rugby, the world governing body for the sport of Rugby Union, has 24 regulations relating to the game, which are binding on National Unions and, by extension, BC Rugby. These regulations cover a wide range of topics including ownership of Clubs, anti-doping, artificial playing surfaces, and insurance. |
| 1.3 | Rugby Canada Bylaws | As a Member Union of Rugby Canada, BC Rugby is required to comply with the conditions of membership specified in Section 2 of the Rugby Canada Bylaws. These include the rights of Members and payment of Registration Fees. |
| 2.1 | BC Rugby Constitution | Under the <i>BC Societies Act</i> , BC Rugby’s Constitution gives the organization the powers to pursue the Purpose. |
| 2.2 | BC Rugby Bylaws | The Bylaws set out the rules by which BC Rugby is governed and the structure of the Board and the organization. The Bylaws can only be changed by a member vote at an AGM or SGM. |
| 3.1 | BC Rugby Governance Manual | This manual provides the framework for the Board to serve the Members and Stakeholders. It references all governance policies approved by the Board, and resolutions adopted by the Members at the AGM. It also outlines the relationships between the Board, CEO and Committees. |

| | | |
|-----|----------------------------|--|
| 3.2 | BC Rugby Operations Manual | This manual encompasses all operating policies approved by the CEO and Executive Committee. It also outlines the relationships between the Executive Committee and/or CEO with the Operational Committees. |
|-----|----------------------------|--|

Change Process

The contents of this manual are meant to be frequently reviewed and refined. Proposed changes, which may be made by any Director or the CEO, are to be referred to the Chair of the Governance Committee for review and recommendation by the Governance Committee before being submitted to the Board for final review and/or approval.

 - (ii) monthly financial reports to the Finance Committee;
 - (iii) CEO updates provided at Board Meetings.

6.4.2 CEO Performance Review

The Executive Committee must provide the CEO with an annual performance review. It is (ideally) to be completed no later than April 30. The evaluation should review the 12 months prior to the AGM and be based on the achievement of goals agreed to by the Executive Committee and the CEO. The CEO will not participate in any Board or Committee discussions regarding the review before it is completed.

The review will be developed from two perspectives: (1) the CEO will complete and submit a self-assessment of the prior-year goal achievements, and (2) concurrently, the Executive Committee will survey all Directors regarding the same prior-year goals. The results of these two evaluations will form the basis of the formal meeting with the CEO. A written CEO Performance Review will be provided and both parties will sign off on its findings.

The President will report the results of the review at an in camera session during the next Board meeting, including recommendations relating to the CEO's compensation package and training. The Board will act on the recommendations. The Board's decisions will be promptly documented in a letter from the President to the CEO.

The CEO will draft a set of outcome-based goals for the year ahead, reflecting the Board's priorities and policies. These will be presented at the July Board meeting each year and provide the structure for the following year's CEO Performance Review.

The Executive Committee will initiate at its discretion a mid-year review, to be organized by the Vice President. This is an informal meeting of the Executive Committee to discuss progress towards achieving annual operating plan goals. All performance-related issues or changes to the CEO's performance goals should be documented in the minutes of the Executive Committee.

6.5 CEO – Staff Relations

The CEO will hire, train, motivate, and terminate BC Rugby Staff in a professional and caring fashion. BC Rugby Staff compensation will be established within annually set budgets and will reflect current market conditions.

The CEO will conduct annual performance reviews on all BC Rugby Staff. The process of review should involve annually-established work goals and outcomes, a self-assessment of achievements in each goal area, and the manager's assessment of those same goals. An informal mid-year review of performance should also occur for all BC Rugby Staff.

The CEO will maintain an employment manual that outlines all human resources and financial policies that govern the working conditions for BC Rugby Staff. It will also act as a guide for appropriate Board/ BC Rugby Staff interactions. The CEO will monitor all interactions with BC Rugby Staff to ensure that working conditions are lawful, fair and dignified. If inappropriate interactions occur, the CEO must immediately take steps to protect BC Rugby Staff and subsequently notify the President.

6.6 CEO Transitions

The Board has the authority to hire, train, motivate, compensate and terminate the CEO. The Board may ask the Executive Committee to explore options for succession planning.

Ideally, the CEO provides the Board with no less than three months' notice of her/his intent to leave the position. Similarly, the Board will ideally provide at least three-months' notice of its intent to terminate the CEO. The Board has the authority to appoint an interim CEO, if circumstances require one.

The outgoing CEO will be invited to participate in a formal exit interview with the President or a mutually-agreed-upon Director.

The incoming CEO's contract with BC Rugby will include a six-month probationary period of initial employment.

6.7 CEO RECRUITMENT PROCESS

If the CEO is being replaced, then the following steps will be followed by the Executive Committee to identify a qualified replacement:

- Identify an appropriate team to manage the recruitment process.
- Review and revise the CEO job description, ensuring that it reflects BC Rugby's priorities and requirements for the next five years, through consultation with BC Rugby Staff, Members, Stakeholders and Directors.
- Post the job opportunity in line with BC Rugby's Recruitment Policy.
- Create and alert a list of preferred candidates that would fulfill new job requirements.
- Once the deadline for application submissions has passed, create a preliminary shortlist of candidates to interview.
- Identify a team of interviewers and create a common set of interview questions that form the framework of questions for each candidate.
- Interview short-listed candidates and select 2 – 3 finalists for consideration.
- Create questions and simulations to dig deeper into the capacities of each finalists, introduce all finalists to the Board, and engage the whole Board in the final decision.
- The Board selects a candidate and a backup candidate and makes an offer to the first choice.
- The Executive Committee negotiates an agreement with the Board-selected candidate.
- Once an agreement is reached, contact unsuccessful candidates and confidentially inform the Board and staff.
- Formally announce the appointment of the new CEO through a press release and direct communication to key leaders (e.g. Rugby Canada, Provincial Rugby Unions & BC Club Presidents).
- Begin the induction process of the new CEO to the organization.

The Provincial Government provides funding for sport and sport event hosting through the Ministry of Tourism, Arts and Culture and the Ministry of Finance, specifically the Gaming Policy and Enforcement Branch. The Ministry of Tourism, Arts and Culture's support for British Columbia's sport system is routed through viaSport, who is responsible for allocating funding to Provincial Sport Organizations (PSOs) based on organizational effectiveness and demonstrated ability to positively impact participation, coach and officials development and high performance outcomes.

2. viaSport

With funds from the BC Government through the Ministry of Tourism, Arts and Culture, viaSport administers sport-related grant programs that encourage sport participation and healthy living, develop high-performance athletes, and improve sport and recreation programs. BC Rugby currently receives core funding and excellence funding from viaSport and is required to report against that funding on a semi-annual basis.

Additionally, viaSport offers several targeted grant programs, such as the Hosting BC grant program which is open to receive applications at several times through the year to support sporting events that facilitate economic and community development. To learn more, visit viasport.ca/grants.

3. Sport BC

BC Rugby is a member organization of Sport BC, which offers services and programs to build the capacity of its sport federation members and advocates on their behalf to improve the landscape for organized sport in BC.

Currently, BC Rugby utilizes Sport BC's financial services (i.e. payroll services and benefits program) and participates in the annual Sport BC President's Award which recognizes a long-standing volunteer, nominated by BC Rugby, within our community.

Sport BC also manages and administers the BC Amateur Sport Fund which BC Rugby utilises to receive charitable donations.

4. Rugby Canada

BC Rugby is one of ten Provincial Rugby Unions that comprise the membership of Rugby Canada. Under Rugby Canada's Bylaws, to be a Member in good-standing, BC Rugby shall, "ensure that Registration Fees prescribed by the Union from time to time are paid to the Union, directly or indirectly, by the Participants who engage in the sport of rugby primarily in its Province."

As a member of Rugby Canada, BC Rugby is, "entitled to have up to three (3) delegates attend Member Meetings" and, with more than 5,000 registered participants as of the conclusion of the last registration year preceding the Member Meeting, "shall be entitled to exercise 6 votes" to:

- Approve minutes of meetings
- Determine registration fees for participants
- Appoint the public accountant and authorize the Board to determine the accountant's remuneration
- Elect Provincial Directors
- Approve the nomination of General Directors and Players Directors
- Approve Bylaw amendments

5. Provincial Rugby Unions

BC Rugby maintains a close working relationship with the nine other Provincial Rugby Unions and seeks to work collaboratively with them in recognition of the need to have strong participation across the country in order to strengthen Rugby nationally. We regularly collaborate with our Western Canadian counterparts at the age-grade levels and keep open channels of communications with our Eastern Canadian counterparts, in particular Rugby Ontario with respect to matters of national importance to Rugby.

6. First Nations Organizations

In the summer of 2009, three founding organizations, the First Nations Health Council (FNHC), the BC Association of Aboriginal Friendship Centres (BCAAFC) and the Métis Nation BC (MNBC), signed a historic agreement to form the Indigenous Sport, Physical Activity & Recreation Council (iSPARC), pledging to work together and develop a multi-year implementation process. BC Rugby seeks guidance, funding and collaboration from iSPARC on an annual basis.

7. Educational Institutions

BC Rugby recognizes the critical role of educational institutions, both directly and indirectly. Under the auspices of BC School Sport and USports respectively, BC secondary schools and universities deliver rugby programs and participate in intra- and inter-provincial competitions. While autonomous from BC Rugby, these organisations have a vested interest in the training and deployment of officials and coaches.

8. Commercial and Individual Sponsors

A sponsor will receive a right or benefit provided by BC Rugby in return for cash or for discounted or free products or services. Through the Stakeholders Committee, BC Rugby identifies key assets that have presenting or supporting rights available for sponsors. BC Rugby also utilises areas of high spend (e.g. travel, playing kit) to gain sponsorship for competitive or discounted pricing or other tangible benefits for BC Rugby.

Sponsors are also promoted through BC Rugby communications.

9. Charitable Donors

BC Rugby receives charitable donations from donors, as individuals or as an organization, through the BC Amateur Sport Fund. The donor is not entitled to direct how that money is spent or to claim any right of association with BC Rugby. Donors receive a charitable tax receipt which is issued by Sport BC, who administer the BC Amateur Sport Fund.

10. Municipal Governments

The majority of sport fields that can host the game variants of Rugby are owned, operated and managed by municipal governments. Many municipal governments facilitate and limit field bookings by assigned seasons for each sport. For example, the City of Vancouver issues permits for the Meraloma Rugby Club to use Connaught Park for August through to mid-March. BC Rugby recognizes the role that municipal governments play with respect to the clubs and will assist in these relationships where possible.
