

BC RUGBY COVID-19 MANDATORY VACCINATION POLICY: DOCUMENTATION REQUIRED TO PROVIDE PROOF OF VACCINATION

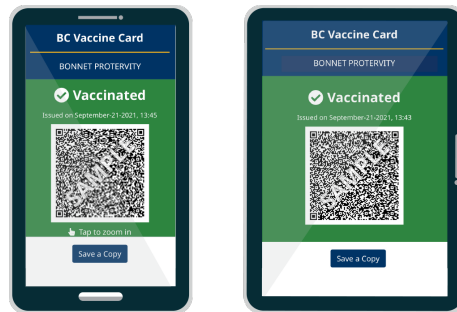

A participant who intends to participate in a Sanctioned Activity as a member of BC Rugby who is 12+, must provide proof of full vaccination, as well as a Government-issued photo ID if the participant is aged 19 years or older. The following guide demonstrates what documentation will be accepted by BC Rugby as proof of full vaccination and as a Government-Issued Photo ID.

Documentation Required to Show Proof of Vaccination:

Documentation showing proof of vaccination may differ depending on which health region you received your COVID-19 vaccination in.

If participant was vaccinated within British Columbia, they must show:

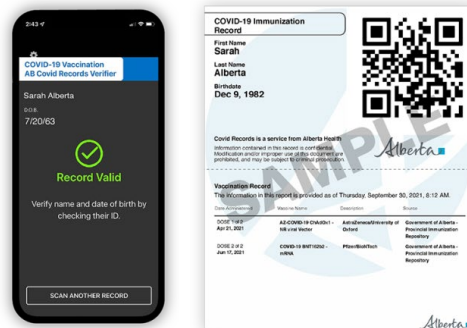

BC Vaccine Card with Scannable QR Code

If participant was vaccinated within another Province in Canada, they must show:

Provincially/ Territorially Recognized
COVID-19 Immunization Record Card or
Provincial Vaccine Card

*Example: Digital and Paper Alberta Vaccine
Card with Scannable QR Code*

If participant was vaccinated outside of Canada, they must show:

The Proof of Vaccination Used to Enter Canada

Example: Digital and Paper European Union Vaccine Card with Scannable QR Code

Documentation Required as a Government-Issued Photo ID:

All participants who are aged 19 years or older must show one piece of Government-issued photo ID.

Government-issued photo ID must include a photo and birthdate, such as a Passport, Driver's License, Health Card, Permanent Resident Card, etc.

Example: Canadian Passport

Example: BC Driver's License
