2022 BC Representative Teams, Age-Grade Camps & Competitions

In line with the BC Rugby Selection Policy, we aim to provide several opportunities for players, as individuals and as part of a team, to demonstrate their ability and character. For all age-grades, the Provincial Regional Championships conclude the provincial teams' selection process with the objective to view potential representative athletes demonstrate their talent in real game play.

BC Representative Teams Coaching Staff will attend the 2022 PRCS and will be finalizing their selections for squads to attend development camps, as the next step in the selection process.
