BC Rugby and its Members gratefully acknowledge that we live, work, and play the sport of Rugby on the traditional and unceded territories of Indigenous Peoples across all regions of British Columbia.

LAND ACKNOWLEDGEMENT

WELCOME FROM THE BOARD OF DIRECTORS

On behalf of the BC Rugby Board, thank you for taking the time to read our new Strategic Plan. Devising a Strategic Plan and putting the resources and infrastructure in place to allow staff to implement it are central to a Board's purpose. In conjunction with our CEO, Annabel Kehoe, and external guidance, we have endeavoured to produce a plan that we believe is achievable over this coming three-year period. We have engaged extensively with our community to examine our purpose, to determine what we want to achieve and how we are going to do it.

The current five-year Strategic Plan has been focused on growing, developing and managing Rugby in BC. While we made progress on the goals set out in the current plan, our efforts to complete it were ultimately interrupted by the Covid pandemic. In this new three-year Strategic Plan, we take the goals of growing, developing and managing the game and we refocus and refine them through the lenses of our Clubs and community partners, the principles of Safe Sport, gender equity, diversity and inclusion, and leadership at BC Rugby that is more responsive and accountable to our members. We will be using more modern tools to extract hard data from our operations and we will be better at communicating what we do to our members.

These are exciting and critical times for our sport. While we have weathered the pandemic as well as could be hoped, we now need renewed purpose and vigour to be better than ever before. We all bear responsibility to ensure everyone is welcomed and respected in our sport, and to provide an environment where safety is paramount. BC Rugby will be working diligently to lead by example and provide appropriate resources and support to our Clubs and community partners. The ultimate success of the Strategic Plan depends on connected, collaborative, and complimentary efforts undertaken throughout the Rugby community. We look forward to working with you to achieve that success.

Sincerely,

Mark Lewis, BC Rugby President

ABOUT BC RUGBY

About

British Columbia Rugby Union, commonly known as BC Rugby, is the recognized governing body for Rugby Union in the Province of British Columbia. We are a Not-For-Profit Organization and one of 60 Provincial Sport Organizations (PSOs) to receive funding from the Provincial Government. BC Rugby is governed by a Board of Directors elected by its members and operated by staff led by the Chief Executive Officer.

History

BC Rugby was officially formed in 1889 in New Westminster and, across three centuries, has overseen remarkable growth in both the Men's and Women's game that has helped develop a diverse Rugby community. Clubs based in British Columbia began touring parts of Western America as early as 1893. Rugby's seven-a-side format was first played in Vancouver in 1956. For over 130 years, British Columbia has hosted many prestigious Rugby Teams such as the All Blacks, New Zealand Maori, Japan, Australia, England, British Lions, Scotland, Barbarians and Fiji.

As a Member Union of Rugby Canada, BC Rugby is a proud affiliate of World Rugby, the world governing body for the sport of Rugby. Many BC Players have gone on to represent Canada's Men's and Women's Teams at the International and Olympic level over the years.
